Unit 3 Extension

1 Read the email. Decide if the sentences are true (T) or false (F).

- 1 Simon wants to change the plans for a trip.
- 2 The earlier plan was to leave on Saturday morning.
- 3 Carla has to take Simon to the station.
- 4 Travelling by car will be more stressful than the train.
- 5 Late morning would be a good time to travel by train on Saturday.
- 6 Simon asks Josh to choose one of the suggestions.

Hi Josh,

How are you? I'm writing to tell you that we're going to have to change the travel arrangements for our trip next weekend.

As you know, the plan was to get the train to Brighton on Friday evening. Unfortunately, I have to pick Carla up from the station at 8 p.m. Sorry!

So, I've got two suggestions to make. First, we could go in my car on Saturday morning. It won't be as relaxing as taking the train, but it will be faster.

Otherwise, we could get up really early on Saturday and take the first train to Brighton. We won't miss too much of our day that way.

Let me know which idea you prefer and I'll arrange it.

All the best,

Simon
