Dear Sir or Madam,

I am writing to complain about a tablet computer I recently ordered from your company.

When I ordered the computer a month ago, your company said they would deliver it in fifteen days. After fifteen days, I called your company and they told me it would arrive immediately. However, it was another fifteen days before it arrived.

When it eventually arrived, the box was open and the computer was badly damaged. As a result, it doesn’t work.

Therefore, I am returning the computer. Please send me a refund for the amount I paid.

Yours faithfully,
Daniel Burton
