Student card

1 Work with your partner. Look at the pictures of Dimton. What sort of planning problems are there in the town? Discuss with your partner and make a list.

2 Join another pair. Think quickly to brainstorm as many solutions as you can to each of the five problems. In your group, try to come up with at least five suggested solutions for each problem.

3 In your new group, share your solutions with your new group members. As a group, agree on the best solution for each problem.
