

Unit 9

Unit 9 Extension

1 Work on your own. Invent a town. Look at the table. Which places are there in your town? Choose nine places. Complete the column **Your town**. Use ✓ (yes) and ✗ (no).

2 Work in pairs. Ask and answer questions. Complete the column **Your partner's town**.

Examples:

Is there an airport near your town?

Are there any ... ?

3 Look at your own answers and your partner's answers. How many things do your towns have in common? Do you agree?

Examples:

There's an airport near our towns.

There's an airport near my town, but there isn't an airport near your town.
