

Communicative worksheet

Let's play table tennis

1 Ask students to look at the picture stories and discuss each couple and what they are doing. Ask:

Where are they?

What sports/food/films can you see?

What do they say?

In the end, what do they do?

Elicit ideas.

2 Divide the class into pairs and hand out the students' worksheets.

Ask Student As to put their expressions in order and ask Student Bs to do the same. Students can check their answers in pairs before practising the conversations.

Answers:

1 Let's watch an action film tonight.

2 I don't like action films.

3 How about a romantic film?

4 That's a good idea.

5 Do you like romantic films?

6 Yes, they're fantastic.

3 In pairs, students prepare conversations based on the three picture stories.

Monitor and help with ideas and vocabulary.

4 Ask different pairs to act out different conversations. Ask the rest of the class to listen and say where the man and woman are.

5 Extension

Ask students to think of a different situation for one couple and to prepare and present a conversation (e.g. deciding what to cook for dinner or watch on TV, deciding where to go for the weekend or on holiday).

6 Writing

Ask students to write up their conversations for one of the picture stories.
