1 Divide the class into pairs and hand out the students' worksheets.

Ask students to work together to match the phrases. Then ask students to practise saying the phrases.

You could ask students to improvise a conversation in pairs using the phrases.

Answers:

1c, 2a, 3b

2 Ask students to look at the pictures and introduce Andy and Steve. Look at the story of Andy and Steve's trip to Brighton (a seaside town on the south coast of England). You may need to pre-teach *It was rainy* and *It was sunny*. Ask:

Where are Andy and Steve?

What do they buy?

What do they say?

Elicit the different situations.

Extra activity

Write *Last weekend, Andy and Steve wanted to go to Brighton...* Ask students in pairs to prepare and tell the story of their trip using the past tense. Ask different pairs to tell their stories.

3 In pairs, students prepare conversations between Andy or Steve and the ticket sellers based on the pictures. Monitor and help with ideas and vocabulary.

4 Ask different pairs to act out one of their conversations. Ask the rest of the class to listen and say where Andy and Steve are and who they are talking to.

5 Writing

Ask students to write up one of the conversations.
