

# Unit 2

## Unit 2 Extension

1 Read the description of the apartment and answer the questions.

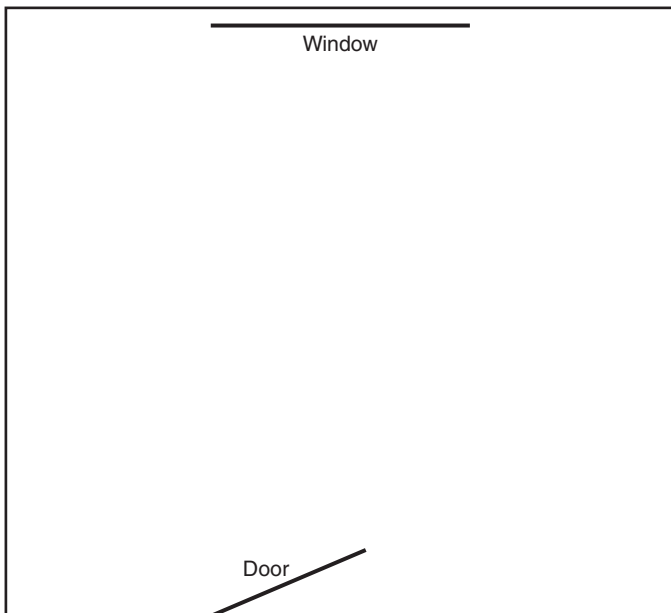

I live in Osaka in Japan. In my apartment there's a living room, a kitchen, a bathroom and there are two bedrooms. I live there with my husband and daughter.

My living room is big. You open the door and on the opposite wall there's a big window. The sofa is on the left. On the right is a desk with a computer on it and there's a lamp on the right of the computer. There's a plant in front of the lamp on the desk. There's a chair in front of the desk and there's a bag under the desk.

There's a cupboard with drawers next to the desk. It's on the right of the desk and on the right of the cupboard, there's an armchair. There isn't a carpet in the room, but there's a big blue rug. There isn't a television in the living room, but we watch DVDs on the computer. There aren't any curtains on the window because we live on the twentieth floor.

- 1 How many rooms are there in the apartment? .....
- 2 You are sitting on the sofa. Is the window on your left or on your right? .....
- 3 Is the plant on the left or the right of the computer? .....
- 4 What's between the desk and the armchair? .....
- 5 What's in the middle of the room, on the floor? .....

2 Draw the furniture in this plan of the living room.

3 Draw these objects in the plan of the living room. Don't show anyone your plan.

4 Work in pairs. Take it in turns to ask questions to find the objects in your partner's plan. Tick the objects in Exercise 3 when you find them. The first person to find all five is the winner.

You: *Is the camera behind the sofa?*  
Your partner: *Yes, it is. / No, it isn't.*

Your partner: *Are the keys in a drawer?*  
You: *Yes, they are. / No, they aren't.*
