## Unit 11 Extension: Key

- 1** Sample responses (answers will vary):  
Student A: This man who told you about the UFO – what's his name?  
Student B: His name's Gary Williams.  
Student A: How old is he?  
Student B: He's forty years old.  
Student A: And what job does he do?  
Student B: He's a doctor.  
Student A: When did he say he saw the UFO?  
Student B: He said he saw it last night at about ten o'clock.  
Student A: Where did he see it?  
Student B: He saw it as he was driving past John Dickinson's farm.  
Student A: What was he doing there?  
Student B: He was driving back from Ash to Sturry.  
Student A: So what did he say the UFO looked like?  
Student B: He said it was at least ten times as big as his car, and covered in lights.  
Student A: How did he feel?  
Student B: He said he was really terrified.  
Student A: What did he do?  
Student B: He turned his car around and drove away as fast as he could.  
Student A: And where is he now?  
Student B: I'm afraid I can't tell you that – he asked me not to.
- Student B: This woman who called the police – when did she say the crime happened?  
Student A: She said it was at nine o'clock, just after she'd opened the shop.  
Student B: How many criminals does she say there were?

# Unit 11

---

Student A: She said there were two men.

Student B: What did she say they looked like?

Student A: She told me they were in dark clothes. She couldn't see their faces because they were wearing clown masks. She said one was tall and the other short.

Student B: So what did she say happened?

Student A: She said they pointed a gun at her and told her not to move. Then she said they broke the glass display cases and took lots of jewellery. Then they ran out and got into a waiting car.

Student B: What did she say they took?

Student A: She said they filled two bags with gold chains and diamond rings.

Student B: What was the value of the stolen things?

Student A: She said it was about fifty thousand pounds.

Student B: What did she say about the car they escaped in?

Student A: It was red. She doesn't know what kind it was, but she said it was a big car with four doors.

Student B: Did she mention anything else?

Student A: She said that the tall man – the one who spoke – sounded Scottish.
