Example answer

Last weekend I went to watch a motorbike race.

The weather was good. It was boiling hot.

I was with my brother and two of his friends.

In the morning, we set off early because we wanted to get there early.

Everyone at the race was really excited.

Then it started to rain really badly. The race was cancelled.

On the way home, we nearly crashed the car.

It had been a disappointing day.

- 4 We have seen similar problems in other colleges *so* we are very concerned about this proposal.
- 5 Living expenses are also rising and *consequently* many students already have financial problems.

Speaking

Do speaking tasks in pairs and allow approximately four minutes per task (two minutes each). Give the tasks to the students five minutes before the interview to give them time to prepare.

Mark the students on their ability to speak clearly and accurately with a good pronunciation. Give extra marks for natural expression and a good range of vocabulary.
